

Safety First Aid Group have recently updated and refreshed their FusionPlus product file which now has a total of 290 SKUs.

This refreshed listing reflects the highest volume sellers and includes a much wider coverage of key lines in the following categories;

- First Aid Kits, Dressings and Wound Care
- Fire Safety
- Burn & Eye Wash Care
- Biohazard & Hygiene
- Posters and Signs
- Health & Safety
- Sports & Education

Adam Weidenbaum, Group Commercial Director, comments "Our increasingly popular Fusion-ised product file has been extensively activated in the trade over the past year and we are delighted to have released a wider range to reflect the growing demand for our products and services.

We have invested heavily in new warehousing and larger stockholding to improve our availability and service levels and look forward to working with a wider range of customers in the future."
